From Rt. 1/Coastal Highway:

Turn right or left onto Rt. 26 going away from the beach. Pass Lord Baltimore Elementary School on your left. Just before the Giant supermarket turn left onto Cedar Avenue, then right onto Central Avenue at the end of the street. Go about a quarter mile and turn left onto Lord Baltimore Lane. There is a Lord Baltimore Landing brick wall at that entrance to the development. Pass two streets (on your right), and the house is the second one on the right at 37140. It has a brick front.
