WHY AAUW?

AAUW breaks down barriers for women in education, in the workplace, and in our communities—locally, regionally, and globally.

WHY YOU?

Your voice and your ideas are powerful. Maybe you'd like to empower local college women to be leaders or help a woman in your community get paid fairly.

**We empower women.

EDUCATION & TRAINING

Addressing the barriers and implicit biases that hinder advancement of women

Education helps women develop skills and knowledge as a pathway to professional opportunities and economic security.

AAUW has supported 13,000 women and organizations in 145 countries to further their academic or career paths and lift up their communities. AAUW's work on Title IX protects students from discrimination and violence at school. **Use AAUW resources to promote equity in education in your community.**

ECONOMIC SECURITY

Ensuring livelihoods for women

Women still don't have equal pay and there are too few women in the highest-paying fields. We must create inclusive career pathways to attain economic security.

AAUW members are committed to achieving pay equity. **Get involved in AAUW's goal to train 10 million women in salary negotiation.**

LEADERSHIP

Closing the gender gap in leadership opportunities

Women are outnumbered by men in the most prestigious positions, from Capitol Hill to the boardroom. When we cultivate women leaders today, we create a brighter tomorrow. It is time for women's voices to be heard.

Let AAUW amplify your voice from the statehouse to the Capitol, or advocate for leadership opportunities for women in your community.
